Chamber Music at Caltech

Caltech's Student Chamber Music Program was established in 1979, with Delores Bing as founding Director. It quickly became a thriving and popular program, and continues 30 years later with some 80 undergraduate and graduate students participating this term. Students study and perform standard repertoire in the chamber music genre – music composed for a small number of instruments, with one player on each part, but without a conductor – under the guidance of professional coaches. Traditions of the Chamber Music Program include the Super Bowl Alternative Concert, Mothers Day Concert, Marathon Concerts, and the ever-popular Chamber Music at Noon programs with free lunch. Sponsored by Student Affairs, Chamber Music shares the goals of the other Performing and Visual Arts courses on campus: promoting cultural literacy, creative expression, and artistic achievement; providing stress relief; and encouraging the formation of new friendships among artistically-inclined Techers.

Donald E. Hudson Chamber Music Fund

Richards Instrumental Music Fund

This concert is sponsored by Caltech's Office of Student Affairs, the Friends of Caltech Instrumental Music, and the Donald E. Hudson Chamber Music Fund. Dr. Richard Hudson established the fund in February of 2001 in memory of his brother and fellow Caltech alumnus, Donald. A lifelong lover of chamber music, Donald Hudson served as Professor of Mechanical Engineering at Caltech.

Donald E. Hudson Visiting Artists Mitch Cyman (bassoon) and Johanna Borenstein (flute) have been an integral part of Caltech's student chamber music program this term as coaches of several student ensembles.

We also wish to acknowledge the generous assistance of the Richards Instrumental Music Fund which supports private lessons for Caltech students.
